**DECLARATION OF DEFENDANT TIM
DUPUIS IN SUPPORT OF OPPOSITION
TO PLAINTIFFS' MOTION FOR
PRELIMINARY INJUNCTIVE RELIEF**

Complaint filed: May 20, 2016
Date: June 1, 2016
Time: 11:00 a.m.
Department: 8
Judge: Hon. William Alsup

1 I, Tim Dupuis, declare as follows:

2 1. I am the Registrar of Voters ("ROV") for the County of Alameda, State of
3 California and have held this position for approximately four years. As the Registrar, I am
4 responsible for conducting local, state and federal, primary and general elections in Alameda
5 County. I have personal knowledge of the matters set forth herein and, if called upon, could
6 testify competently thereto.

7 2. Alameda County has approximately 833,000 registered voters. As of Friday,
8 May 27, 2016, my office has received approximately 65,000 vote by mail ballots from registered
9 voters.

10 3. In California, the Democratic, American Independent ("AIP"), and Libertarian
11 parties will allow no party preference, also known as nonpartisan, voters (referred to herein as
12 "NPP voters") to vote in their presidential primaries for the upcoming election on June 7, 2016.
13 This is commonly known as "cross-over voting."

14 4. My office has engaged in extensive efforts to inform NPP voters of their options
15 to cross-over vote in the upcoming primary election. The ROV's webpage has an FAQ page
16 dedicated to cross-over voting. This page has been up since January of 2016. The webpage
17 can be located at: <http://www.acgov.org/rov/crossoverfaq.htm>. Attached as Exhibit A to this
18 declaration is a true and correct copy of the cross-over voting FAQ webpage that has been on
19 the ROV's website since January of 2016. The webpage lists the three cross-over voting
20 options for NPP voters.

21 5. The initial page of the ROV's website also has a direct link to the vote by mail
22 application for NPP voters. That link goes directly to the NPP vote by mail application at
23 <http://www.acgov.org/rov/documents/vbmBallotApplication.pdf>. Attached as Exhibit B to this
24 declaration is a true and correct copy of the vote by mail application for NPP voters. The
25 application provides the option to choose a ballot for the AIP, Democratic, or Libertarian parties.
26 The application is only available for primary elections. The application states that my office
27

1 must receive it by 5:00 pm on May 31, 2016 with the date in bold lettering. This NPP voter
2 application must be "wet" signed and delivered to my office by May 31, 2016.

3 6. This application is different from the electronic vote by mail application at:
4 <http://acgov.org/rov/forms/vbme.htm>. This version available to all voters for all elections. Unlike
5 the NPP voter application, It can be filled out and submitted electronically.

6 7. Starting 40 days before the Presidential Primary Election, the same crossover
7 application is sent to all NPP vote by mail voters. The ROV also sends postcards to all NPP
8 voters who are permanent vote by mail voters. These postcards allow the NPP voter to obtain a
9 cross-over ballot. Attached as Exhibit C to this declaration is a true and correct copy of the
10 postcard.

11 8. All Alameda County registered voters receive a "Sample Ballot and Voter
12 Information Pamphlet" (sometimes referred to simply as either "sample ballot" or "voter
13 information pamphlet"). A voter may choose to download it or receive it by mail. The sample
14 ballot contains information for all parties and for NPP voters. Each sample ballot for every voter
15 (regardless of whether the voter registered with a political party or as NPP) contains a page
16 entitled "CROSS-OVER VOTING FOR NONPARTISAN/ NO PARTY PREFERENCE VOTERS."
17 The page contains information indicating that NPP voters "may request a **party presidential**
18 **ballot, only if the party has adopted a party rule permitting this.**" (Emphasis in the original.)
19 The page then indicates that the NPP voters may request "one of these three party presidential
20 ballots: • American Independent • Democratic • Libertarian." The page also lists a toll free
21 number for the Secretary of State to answer any questions. Attached to this declaration as
22 Exhibit D is a true and correct copy of the first five page of the sample ballot, including the
23 cross-over voting page that appears in each sample ballot for all voters, regardless of party
24 affiliation.

25 9. In addition to these forms of direct communication to the voters, my office has
26 issued notifications of on its social media sites, including Facebook, Instagram, Twitter, and
27

1 Snapchat. Attached to this declaration as Exhibit E is a true and correct copy of my office's
2 posting on social media regarding NPP cross-over voting.

3 10. So far, Alameda County has over 4,000 poll workers for the upcoming election.
4 My staff has conducted over 300 poll worker training sessions to date for the upcoming election.
5 The training sessions are the same county-wide, using the same training materials. Training will
6 continue through June 6, 2016, the day before Election Day. The training sessions cover all
7 aspects of poll worker duties on Election Day, including notifying NPP voters of their cross-over
8 voting options. All poll workers are required to attend the training sessions, and my office will
9 not allow a person to work at the polls unless he/she has attended a training session.

10 11. Poll workers fall into three different categories: inspectors, judges, and clerks.
11 The training for the inspectors and judges is the same. The clerks' training is somewhat shorter.

12 12. The inspector and judge poll worker training materials for Alameda County is at:
13 <http://www.acgov.org/rov/documents/InspectorandJudgePollWorkerTrainingSlides.pdf>. Slides
14 67 to 70 cover cross-over voting in detail. The video in this link is included in the poll worker
15 training slides (<https://youtu.be/cIVVaTdejdg>). It appears on slide 70.

16 13. The clerk poll worker training materials for Alameda County can be located at:
17 <http://www.acgov.org/rov/documents/ClerkPollWorkerTraining.pdf>. Slides 59 to 62 are the same
18 as the NPP cross over voting slides from, and correspond with, the inspector and judge poll
19 worker training materials. The imbedded video (<https://youtu.be/cIVVaTdejdg>) appears on slide
20 62 of the clerk poll worker training materials.

21 14. Consistent with the poll worker training materials and video, all poll workers are
22 instructed at the training sessions to offer a cross-over ballot to all NPP voters without the NPP
23 voters having to request one. One slide specifically instructs the poll worker to advise the NPP
24 voter of his/her cross-over voting options and states verbatim what a poll worker should say to
25 each NPP voter at each polling place: "As a Nonpartisan Voter, you are entitled to vote
26 Nonpartisan or in one of the following parties: American Independent, Democratic, or
27 Libertarian."

1 15. On Election Day, each polling place will have a "Primary Ballot Flow Chart."
2 Attached to this declaration as Exhibit F is a true and correct copy of the Primary Ballot Flow
3 Chart that will be present at each polling place for the poll workers' reference. Just like the
4 training material slide, the flow chart highlights the ballots that an NPP voter may receive,
5 instructs the poll worker to advise NPP voters of their right to vote in one of three cross over
6 parties, and provides verbatim, in bold red lettering, how to advise the NPP voter. The other
7 poll worker reference page, entitled "NOTICE TO NONPARTISAN VOTERS" is exclusively
8 dedicated to NPP voter cross-over voting options. The flow chart is strategically placed in front
9 of the poll worker in charge of the roster index, which is where a voter signs right before
10 obtaining a ballot.

11 16. Each polling place will also have signage provided by the Secretary of State,
12 entitled "No Party Preference Voters." This signage states: "You can vote in the Presidential
13 Primary for the following parties: • American Independent • Democratic • Libertarian."
14 Attached to this declaration as Exhibit G is a true and correct copy of the signage to be posted
15 at each polling place in the upcoming election.

16 17. The number of ballots required is set by the California Election Code section
17 14102. My office will exceed that number.

18 18. Same day voting registration is impossible for the upcoming election because the
19 infrastructure is not in place. Under California law, the deadline to register to vote, change party
20 preference or change from party preference to NPP was May 23, 2016. My office requires the
21 time period from May 23, 2016 to Election Day to vet the newly registered voters or changed
22 registration materials. The first step is to sort and batch all forms received (whether by mail or
23 email). My staff then reviews and researches party changes for prior registrations, cross over
24 requests, vote by mail permanent status. The research continues to correct any incorrect or
25 business addresses. Sometimes my staff has to contact voters due to missing required
26 information on voter registration forms. My staff must also research to ensure that the materials
27 are consistent with DMV and are not from deceased individuals' or duplicate files.

1 I declare under penalty of perjury under the laws of the State of California that the
2 foregoing is true and correct.

3 Executed at Oakland, California, on May 31, 2016.

TOP TWO OPEN PRIMARY ACT

On June 8, 2010, California voters approved Proposition 14, which created the “Top Two Open Primary Act”

Prior to the “Top Two Open Primary Act”

- Candidates running for a partisan office appeared only on their party’s ballot.
- The top vote-getter from each qualified party and any candidates who qualified using the independent nomination process would then move on to the General Election.

Now, under the “Top Two Open Primary Act”

- All candidates running, regardless of their party preference, will appear on a single combined ballot.
- Voters can vote for any candidate from any political party.
- This changes the way elections are conducted for all statewide offices and the following offices:
 - U.S. Senator • U.S. Representative • State Senate • Member of the State Assembly
- This **DOES NOT** affect the election of **U.S. President** and **County Central Committees**, which are still party nominated.

PARTY-NOMINATED OFFICES (formerly known as Partisan)	Party-Nominated offices are contests in which the nominee is selected by the political party.
Offices	U.S. President and County Central Committees
Who Can Vote	Only voters registered with the same party preference as the candidate. (Except parties who allow nonpartisans to cross-over and join their primary)
Who Advances to the General Election	Presidential contests only; the top vote-getter in each qualified party will move on to the general election.
VOTER-NOMINATED OFFICES	Voter-Nominated offices are contests in which the nominee is selected by the voter.
June 7, 2016 Offices	U.S. Senator, U.S. Representative, State Senate and Member of the State Assembly
Who Can Vote	All voters, regardless of party preference.
Who Advances to the General Election	The top-two vote-getters, regardless of party preference will move on to the general election.
NONPARTISAN OFFICES	Nonpartisan offices are contests in which no political party nominates a candidate.
June 7, 2016 Offices	Superior Court Judge, County Supervisor, County Board of Education, Union Sanitary District Directors, Zone 7 Flood Control Board Directors, City of Hayward Councilmembers.
Who Can Vote	All voters, regardless of party preference.
Who Advances to the General Election	In majority vote contests, candidates that receive a majority of the votes win outright in the Primary. If no candidate receives a majority of the vote, then the top-two vote-getters move on to the general election.

CROSS-OVER VOTING FOR NONPARTISAN / NO PARTY PREFERENCE VOTERS

- Voters that are not registered with a qualified political party may request a **party presidential** ballot, **only if the party has adopted a party rule permitting this.**
- For this election, Nonpartisan voters may request for one of these three party presidential ballots:
 - American Independent
 - Democratic
 - Libertarian
- If you would like to receive a qualified party ballot other than the ones listed above, you will need to re-register and change your political party preference with the party.

If you have any questions about which parties allow Nonpartisan/No Party Preference voters to vote in their primaries, contact the Secretary of State's toll free number: 1-800-345-VOTE(8683)
